Dear Name,

As we ring in the new year, we'd like to thank you for sharing in Quasimondo Physical Theatre's numerous accomplishments. Most recently, we premiered *Celsius 232* to sold-out houses at the site of our future artistic home, the North Milwaukee Arthaus.

*Co-directors Brian Rott and Don Russell have found the right balance of elements to fill the cold space of an old, converted fire station with a psychological chill which reaches well beyond the performance onstage.*

- Russ Bickerstaff, *Shepherd Express*

This past year, we also

- Toured "Mrs. Wrights" to Frank Lloyd Wright's Taliesin, SC Johnson Golden Rondelle Theatre, and to venues in Minnesota, Chicago and Vermont
- Created commissions and collaborations with Present Music, Optimist Theatre, Cooperative Performance, Milwaukee Riverkeeper, and Locust Street Days
- Provided the community with access to the Arthaus through tours for Doors Open Milwaukee and community events with Villard Avenue BID

And, we continue to receive recognition for our work. This past year, we were

- Awarded our first grant from the City of Milwaukee Arts Board and Wisconsin Arts Board
- Nominated for a Footlights People's Choice Award for the second year in a row
- Once again listed in Milwaukee Journal Sentinel's "Best Designers"

When Quasimondo shines, it is the result of the dedicated efforts of an entire ensemble, coming together to produce something greater than they ever could alone. So please join us as we build a solid foundation for Quasimondo's future. This, too, is a collaborative effort, and we hope you will be a part of it by giving generously today!

Sincerely,

A handwritten signature in black ink, appearing to read "Brian Rott and Jenni Reinke".
